

# The Badge of Honesty

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of ingredients composing it is printed there in plain English. More than forty years of experience has proven its superior worth as a blood-purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone root and Mandrake root, Bloodroot and Black Cherrybark are extracted and preserved by the use of chemically pure, triple-refined glycerine.

Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

**The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed.**

In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Though he offers the substitute for a less price you can't afford to experiment with your health. Go where they give you what you ask for without argument.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

### LOWELL

The crops are looking fine though they were somewhat injured by the storm and heavy rains. Report says the Easterling farm is the finest in this part of the county.

Messrs. Moffatt, Whitehurst, Gladney and Raynor are our largest cabbage shippers. They are busy shipping at present.

Our people here wish to thank the members of the W. C. T. U. of Red-dick and the young folks of that little town who came down last Friday night and gave us such a nice entertainment, which consisted of temperance songs and prohibition speaking contest. Those in the contest were Misses Jessie Wilson and Mina Mae Strickland, Messrs. John Dupree, Jesse and Gordie Kinard, Leland McClaren and Sam Light. It was a close run in this contest as all did so well, but Mr. Sam Light received the lovely silver medal. The judges were Miss Amy Kendall and Messrs. Hall and Shockley. Sam is the only son of Mr. L. S. Light, who is now in Tallahassee attending the legislature as representative from our county. We think Sam keeps on he may some day take his father's place.

Mr. Geo. Easton and Mr. Lonnie Edwards, of Irvine, were here Sunday.

Mr. Green, who has charge of the Easterling farm here, has his oldest brother with him now. He has recently come from Wisconsin and expects to be here until fall. He visited Ocala Saturday and Sunday and is well pleased with the town, but says Lowell suits him well enough.

Mr. E. B. George, our hustling depot agent, has a very fine cucumber patch, of which he is very proud.

Mr. P. B. Livingston and daughter Juanita, Miss Amelia Kendall and Gertrude Gladney visited Ocala last Saturday.

Mr. and Mrs. B. J. Thigpen and two

sweet little children went to Ocala last week. Mr. W. M. Shockley and family visited relatives at Martin Sunday. Mr. Lucy McLean, of Ocala, is in our little burg again for awhile.

The health of our community seems to be very good at present, only a few cases of whooping cough among the children.

Our school has been doing very nicely under the able management of Miss Kendall. It will close in four weeks. Miss Kendall's friends here will regret to see her leave, but wish her much success wherever she goes. She expects to visit her parents this summer in North Brantford, Conn., but expects to return to Florida in the winter.

Mr. and Mrs. O. M. Gale with their relatives, Mr. and Mrs. Nix and their boarders, Mr. Gardner and Mr. Cowles, and their friend, Mrs. Fessler, all enjoyed a drive to Smith's Lake Sunday afternoon, and all had a delightful time on the shores of the lake. Judge and Mrs. L. L. Hopkins were at their cottage on the lake spending the day, and they invited their friends to come to their veranda and all had a social time together.

Judge L. L. Hopkins and wife and Mr. W. H. M. Millson and Mrs. C. D. Bogert all made a business trip to the Brick City Wednesday.

#### OKLAWAHA

We are having some fine weather now, and are looking forward with pleasure for the "good old summer time."

Carson Bradford and wife have returned to Nashville, Tenn., after a few months' visit to his father and mother.

Miss Edith McDaniel and mother left Tuesday for their home in Hot Springs, Va., after a short illness, able to be up and going around again.

We are sorry to hear that Mrs. Carson is confined to her bed, and hope to hear of a speedy recovery.

Fishing is still fine. We noted Eddie Marshall with a fine string of them.

Miss Laura Driggers of this place was quietly united in marriage to Mr. Lucius of Ocala Sunday last. They will reside in that place.

The hard road is progressing nicely from Oklawaha station to the school house under the good management of Mr. J. S. Driggers. We hope to see it completed in a short time.

Miss Lizzie Proctor, of Pedro, closed her school here last Friday night with an entertainment, which was unusually good. Some of the plays were acted as good as if they had been played by actors and actresses of fame.

The program was composed of some beautifully acted tableaux and songs of which the famous School Days was one.

Mrs. Spurlin has rented the Roagan cottage for the summer and has moved in. Others will follow her good example by and bye.

#### THE BED ROCK OF SUCCESS

lies in a keen, clear brain, backed by indomitable will and resistless energy. Such power comes from the splendid health that Dr. King's New Life Pills impart. They vitalize every organ and build up brain and body. J. A. Harmon, Lismore, W. Va., writes: "They are the best pill I ever used." 25c at all druggists.

#### SOUTH LAKE WEIR

Mr. and Mrs. Marshall C. Goss left Sunday for their home in Pleasantville, Pa.

The guests and several neighbors of the Pleasant Hills House enjoyed a car pull on Saturday night and had a sweet and merry time.

A prominent resident told us a few days since that it was getting entirely too hot about here for him with so many teas, dances, bathing and dinner parties, and he was going over to Palm Beach to be quiet and rest up before going north.

Mr. and Mrs. Milton S. Carnahan and family left on Sunday for Pleasantville, Pa., their summer home.

Mr. and Mrs. E. D. Coates, of Akron, Ohio, former residents on the lake, who have been guests of Hotel Lake Side of late, spent several days with friends at the Pleasant Hills.

#### KENDRICK

This weather seems like good old summer time again.

Mr. Columbus Luftman and bride, of Ocala, visited the latter's parents Mr. and Mrs. J. E. Spencer, last Sunday.

We are pleased to report the health of Mr. J. W. Winmill much improved. Dr. Powers, of Ocala, has been treating him. We are also glad to report Mr. Jerry Waters resting easy at present.

In last week's items relative to the coop of chickens sent to the orphanage by our Sunday School, should have read eight instead of eight.

Mr. and Mrs. Bradford C. Webb, accompanied by their guests, Mr. and Mrs. Payne and children of Des Moines, Iowa, enjoyed the day most pleasantly last Friday by driving to Silver Springs, where they secured a boat and took a trip down to Connor, where they enjoyed the hospitality of Mr. Pat Randall, and no doubt it was a day long to be remembered.

All who have the pleasure of being the host of this gentleman speak so pleasantly of him. Mr. and Mrs. Payne have proven themselves quite pleasant and interesting, and we would be glad to have them remain with us permanently.

Next Sunday will be our regular preaching day by our pastor, Rev. J. N. Weatherford. All who do not hear these good sermons surely miss a treat.

#### NATURE TELLS YOU

As Many an Ocala Reader Knows Too Well

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action. Any urinary trouble tells of kidney ills.

Doan's Kidney Pills cure all kidney ills.

Mrs. Eliza Ratterree, living at 201 W. McCormick St., Gainesville, Fla., says: "I suffered from dragging pains in my back for some years. I was in almost constant misery, and often the pains were so intense that I could not move about. The secretions from my kidneys were also irregular in action, and caused me further annoyance. Any cold always aggravated my trouble and at such times I would suffer severely. A friend finally advised me to try Doan's Kidney Pills and I did so. The first few doses of this remedy gave me relief, and when I had used the contents of one box the pains had disappeared and the kidneys once more acted in a normal manner. I am glad to give Doan's Kidney Pills the credit for bringing me back to good health."

Plenty more proof like this from Ocala people. Call at Tydings & Co.'s drug store and ask what their customers report.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

#### WEIRSDALE

The Lake Weir Yacht Club has been organized with more than 20 members. Its objects are thus defined: "To unite owners of launches on Lake Weir in closer social affiliation; to hold launch parties, water carnivals, races and picnics and other social functions; and to protect and promote fishing in Lake Weir." Officers have been thus chosen for the ensuing year: Commodore, W. R. Goodwin, Eastlake; vice commodore, Dr. H. W. Henry, Jr., Oklawaha; secretary, David S. Woodrow, Eastlake; treasurer, Z. C. Chambliss, Ocala; executive committee, W. R. Goodwin, D. S. Woodrow, H. W. Henry, Jr., W. H. Bickley, Weirsdale; C. W. Willard, South Lake Weir; P. E. Haskell, Weirsdale; L. R. Chazal, Ocala; John Meffert, Ocala; A. A. Bartlett, Weirsdale; and A. J. Leavengood, Stanton.

A very jolly beach party and chicken pillau was given by Mrs. H. W. Henry and Miss Edith McDonald Saturday afternoon near the Henry home at Oklawaha. Guests were sent from South Lake Weir, Weirsdale, Stanton, Eastlake and Lake Weir, and they formed the most congenial and the merriest party imaginable.

The young people enjoyed a half hour's bathing after which came the special feature of the occasion—a genuine chicken pillau. This was served with tea, sandwiches, olives, cheese wafers, and later several different kinds of home made candy were served. The affair was indeed a delightful treat, especially to the northerners present. Mrs. Henry and Miss McDonald were charming hostesses and their guests are grateful to them for one of the most pleasant parties held on the lake this year.

Mr. A. J. Peterson (Hotel Lakeside's champion fisherman) Mrs. Peterson, Mrs. Wrennick, and John Jerome, left last week for their home in Jamestown, N. Y. They have spent over four months at Hotel Lakeside and will be greatly missed by their many friends.

Mr. W. Miller Jones and family departed Monday for their home on Staten Island, N. Y. Mr. and Mrs. Jones with their family of eight children have added a great deal of life to the south side of the lake this winter, and the quiet since their departure is very noticeable.

Hon. J. M. Wiley and wife and son, John, and Mrs. Cooper, who have spent several months at the Wiley cottage, left Sunday for Buffalo, N. Y.

On Thursday evening of last week, Mr. and Mrs. W. R. Goodwin, of Woodmar East Lake Weir, gave a very enjoyable dance on the porch of their home, "The Oaks." A large number of guests were present from South Lake Weir, Weirsdale, Stanton, Candler, Eastlake, Oklawaha and Ocala, and a most pleasant evening was spent by all.

An error was made in last week's correspondence. It being omitted that Miss Grace Willard in giving her bathing party, was assisted by Mrs. William Bickley, of Ashbury Park.

During the spring everyone would be benefited by using Foley's Kidney Remedy. It furnishes a needed tonic to the kidneys after the extra strain of winter, and it purifies the blood by stimulating the kidneys, and causing them to eliminate the impurities from it. Foley's Kidney Remedy imparts new life and vigor. Pleasant to take. Sold by all druggists.
